Tearmann Art project

A note from Helene Willems

I am working on an art project at the moment. This involves the casings of nightlights. I will be using around 19,000 of them. To date 2,800 have been cut the rest still have to be done. I will put them together to create a structure called 'Tearmann' which means Safe Place or Sanctuary. I would be grateful for any help at all. I will be working with the primary school children but if you would like to help I will be in the Park near the Mills on 10th -11th and 17th - 18th June and in the Library on 12th - 13th and 19th - 20th. Please contact me if you want to help or call in during the days laid out above
